How to find things of interest to you

There are two main ways to find things:

1. You can filter responses by clicking on this button. You can filter by 'Partnership', 'Year', 'SFP theme', or 'Sub-topic'

For example, if you were interested in examples of where food partnership have taken action on climate change policy, you could filter by 'Sub-topic', 'Climate Change', and 'Policy'. For full list of sub-topics, see below

2. You can search for key words or phrases by clicking on this magnifying glass button

For example, if you wanted to know more about what partnership had done to support 'Healthy Start', you could put that into the search bar here
