

**WELCOME**

# WHAT IS THE ARUN AND CHICHESTER FOOD PARTNERSHIP?

The Arun and Chichester Food Partnership is a collaborative network of cross-sector partners in the local food system working to make good food accessible to all throughout Arun and Chichester.

## THE PARTNERSHIP HAS A VISION FOR ARUN AND CHICHESTER FOR:

- ✓ No one to go hungry.
- ✓ Everyone to have access to good quality food.
- ✓ People to grow, share and learn together to create skilled, fulfilled and nourished communities.
- ✓ A real commitment to reduce the environmental impact of food production, procurement, consumption and waste.

# WHO ARE THE ARUN AND CHICHESTER FOOD PARTNERSHIP?

Steering Group - local government, community and voluntary organisations.

Development Officers hosted by Citizens Advice Arun & Chichester. You can contact Regi or Beth by emailing [foodpartnership@arunchichestercab.org.uk](mailto:foodpartnership@arunchichestercab.org.uk).

# WHAT ARE THE ARUN & CHICHESTER FOOD PARTNERSHIP'S AIMS?

Create a long-term Food Strategy and Action Plan for the region.

Improve physical and mental health through access to good food.

Strengthen the food sector, bringing food providers and local suppliers together, identifying gaps and creating solutions.

Promote sustainable food and campaign to improve our food system to provide better outcomes to residents.

# WHAT DO THE ARUN & CHICHESTER FOOD PARTNERSHIP DO?

## CURRENT WORK AREAS:

- Community mapping to help identify and promote existing services.
- Consulting with the community to identify what is wanted and needed.
- Working with District & County Councils to try and get food issues on the agenda.
- Working with projects to increase their support offer through signposting info & access to in-person advice.
- Supporting the development of new community food projects.
- Project to review and promote the Healthy Start scheme to increase access to nutritious food for families on low incomes
- Creating local community networks and learning events.
- Working with Sustainable Food Places on nationally coordinated campaigns
- *Next steps – creation of long-term strategy based on consultation and events feedback*
