

Making good food accessible to all throughout Arun and Chichester

**A vision for our
community
where...**

- no one goes hungry
- everyone has access to good quality food
- people can grow, share and learn together creating skilled, fulfilled and nourished communities
- the environmental impact of food production, procurement, consumption and waste are significantly reduced

What you can do...

- ★ Eat more plant-based food and better meat
- ★ Buy only what you need and waste less
- ★ Cook together and for each other
- ★ Support your local community food projects

Let's work together towards a better food system for all

The Arun and Chichester Food Partnership brings together a collaborative network of cross-sector partners in the local food system to make good food accessible to all throughout our region.

We are proud members of Sustainable Food Places, a partnership programme run by the Soil Association, Food Matters and Sustain.
